

FIBER HOMES

Brought to you by **WK&T**

Create a free account to discover internet availability at any address.

Sell More Homes with Fiber Homes

Listing Agents

Did you know fiber availability can boost the value of your listing by 3.1%? Get **free marketing materials** to shine a spotlight on this feature for any certified Fiber Homes you're listing.

Buyers' Agents

Homebuyers have questions. Now, you'll have answers. For certified Fiber Homes, you can share the **speeds, pricing, provider, and even new mover promos** with your buyer.

Scan the QR code at the top of this page to create your free account!

How It Works

Step 1: Select Your Goal

Are you listing or showing a home? Tap your goal to get relevant information fast.

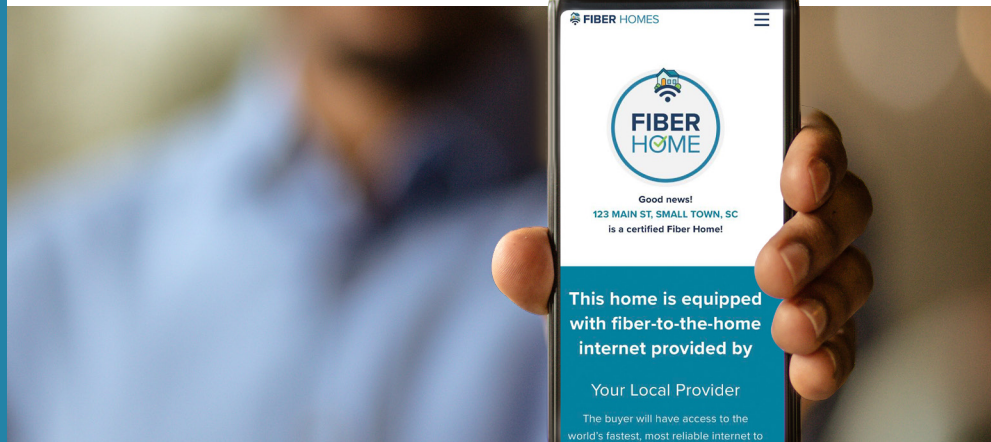

Step 2: Search an Address

If it's not a certified home, we'll still show you what kind of internet technology has been reported in the area.

Step 3: Sell More Homes!

Get marketing materials to boost the value of a Fiber Home listing or access pricing and new mover promos for your buyers.

Join real estate professionals across the country in creating a free Fiber Homes Pro account.
